IMPORTANT DEPARTMENT OF AGRICULTURE UPDATE FOR EXHIBITORS OF CATTLE SPECIFIC REQUIREMENTS – CATTLE

The following changes are being introduced for keepers of bovine animals who wish to show cattle – these changes apply from the 2013 Show season.

Keepers of cattle are now required to obtain a Certificate of Compliance prior to the movement of an animal to a show. Certs of compliance can be obtained online from Animal Identification and Movement (AIM) system through www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Cert of Compliance, Keepers should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with bovine passport for the animal.

The keeper and the Show Secretary will then sign the Movement Notification section Certificate which will then be sent to the local DVO for recording into the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the show.

These Certificates will replace the previously used CMMS 4 forms.

AIM Notification

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement.
4. The show secretary keeps white copy for his/her records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.
