 An Irish legend tells that the first glass of beer was brewed by a monk in a monastery. The monks used to brew beer for the monks and the people of the monastery. Message from Darragh Calleary TD - Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2026 Roscommon Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position again this year to support the Roscommon Agricultural Show for 2026. Funding of over €1 million is being provided through the Irish Shows Association to support 126 shows across the country including the show here in Roscommon.

Rural Ireland is rich in heritage and in culture, and agriculture has played a central role in that. Our Agricultural Shows are a celebration of rural life, rural tradition, innovation and rural excellence. They are an occasion in the rural calendar to showcase local produce and livestock, together with artisan foods and crafts. They are an all-round great day out and I would encourage everyone to get along to their local shows this year.

This year we see an increase in the number of shows taking place across the country, again demonstrating the value communities place in these events. The meitheal and resilience evident in these shows is so encouraging as towns and villages right across the country host their local shows and the associated competitions across many different categories.

The sheer effort and determination of committees, volunteers and stewards must be acknowledged. The way in which these shows deliver great occasions for trade exhibitors, competitors and visitors is a fantastic achievement and, I as Minister for Rural and Community Development and Gaeltacht, am proud to support them.

I want to wish the Roscommon show every success for the 2026 season. No doubt it will be a huge success with a host of exhibits and competitive opportunities for local livestock and produce to be viewed and recognised for its excellence.

I wish all those who compete and visit the show a very enjoyable day and continued success to those taking part in the competitions. Keep up the good work!

Safety at Roscommon Agricultural show

Health and Safety is always a prime concern of Roscommon Agricultural Show to ensure we have a successful, enjoyable day and most importantly, a safe and accident free one. To ensure this, co-operation of all is vital including exhibitors, spectators and organisers.

A few guidelines to note in relation to safety as follows:

- Please observe signs especially those relating to caution of livestock areas etc.
- Dogs must always be on a lead and under control of their handler
- Animals that are hard to control should not be exhibited.
- All animals must be led by a competent adult.
- Animals must not be tied to trailers.
- Please report any safety concerns to our safety officer or a member of the committee

IMPORTANT DEPARTMENT OF AGRICULTURE UPDATE FOR EXHIBITORS OF CATTLE SPECIFIC REQUIREMENTS – CATTLE

The following changes are being introduced for keepers of bovine animals who wish to show cattle – these changes apply from the 2013 Show season.

Keepers of cattle are now required to obtain a Certificate of Compliance prior to the movement of an animal to a show. Certs of compliance can be obtained online from Animal Identification and Movement (AIM) system through www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Cert of Compliance, Keepers should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with bovine passport for the animal.

The keeper and the Show Secretary will then sign the Movement Notification section Certificate which will then be sent to the local DVO for recording into the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to the show on the day of the show.

These Certificates will replace the previously used CMMS 4 forms.

Safety Regulations on Show Day

1. Please do not exhibit animals that are out of control or hard to Handle.
2. Animals should not be left unattended, tied to horse boxes or trailers.
3. All animals must be led by a competent handler.
4. Animals must be under the strict control of the handler at all times.
