# Message from Dara Calleary TD Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2025 Roscommon Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Roscommon Agricultural Show for 2025. My Department will again this year provided €1 million to over 120 other agricultural shows combined across the country, including your own event here in Roscommon.

Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Roscommon, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbours and friends.

Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to share all that is good about life in the countryside.

Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local rivalry for those much coveted titles and awards but it is always in the very best of spirits. The way in which neighbouring farms and parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show.

Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country and meeting as many of you as I can.

Dara Calleary TD Minister for Rural and Community Development and the Gaeltacht

Dara Calleon.

# IMPORTANT DEPARTMENT OF AGRICULTURE UPDATE FOR EXHIBITORS OF CATTLE SPECIFIC REQUIREMENTS – CATTLE

The following changes are being introduced for keepers of bovine animals who wish to show cattle – these changes apply from the 2013 Show season.

Keepers of cattle are now required to obtain a Certificate of Compliance prior to the movement of an animal to a show. Certs of compliance can be obtained online from Animal Identification and

Movement (AIM) system through www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Cert of Compliance, Keepers should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with bovine passport for the animal.

The keeper and the Show Secretary will then sign the Movement Notification section Certificate which will then be sent to the local DVO for recording into the AIM system.

Please not that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to the shown on the day of the show.

These Certificates will replace the previously used CMMS 4 forms.
